News Letter

February 2010

SAD NEWS

As you are all aware, our founder member, George is "retiring" from operating the annual HOGGS tour, and our trip to Dorset this year will be the last.

Those of us who have been on trips to France etc., will always remember what a great time we all had, never giving a thought to all the hard work he put in to arrange the event. We all just "sat back" and waited for George to organise everything, and just enjoyed the trip.

Our sincere thanks to George, and, we hope he will join us at future tours.

HOGG COMMITTEE

This is my final year as Secretary, and would like to take this opportunity of thanking the rest of the committee for their support, and help.

In particular, I would like to thank :-

George who is just a true gentleman

Leslie who always checks my typing errors

Doug who is always trying to disqualify me whatever the reason

David who always asks for my suggestions and then ignores them

Peter who is still polite (he is the new boy!)

THE CLUB

Being my final year, it is great to see the massive improvements to the course, to see the Honours Boards back in the club house, to arrive through the gates without dodging the pot holes.

AND FINALLY

I am going to enjoy being one of the HOGG's and will try to find something to complain about to the committee.
